ARHS 2017 TISSUE CULTURE SALE

ORDER DEADLINE is MARCH 19, 2017. We are listing 34 plants including rhododendrons, azaleas, and companion plants. EMAIL ORDERS PREFERRED. USE THE FORM or list the plants with size and number you want in an email. Send to: <u>jonporter@eastlink.ca</u>

Or send by regular mail to ARHS c/o Jon Porter 1103 Brooklyn Shore Rd Brooklyn, NS BOJ 1H0 <u>902-354-2387</u>.

Please make sure you include your phone number and email address and make a copy of your order.

Larger plants cost more and have a higher freight charge. Our major expenses are in US dollars, so we can't guarantee the price because the exchange rate is critical. The sizes available for each plant are on the order form.

- L2 (minimum order of 49 plants*) expected price \$5.50/plant (the standard size)
- L3 (minimum order of 25 plants*) expected price \$8.00/plant
- QT (minimum size of 16 plants*) expected price \$11.50/plant
- * These are the minimum order size for ARHS, not individual members.

For plants that are available in both L2 and QT, we plan to order the L2 size unless there are not enough orders to reach the minimum quantity.

DO NOT SEND ANY MONEY WITH YOUR ORDER. YOU WILL PAY OR BE BILLED WHEN YOUR ORDER IS PICKED UP OR SENT. Special shipping charges may apply.

These plants will be available for pickup in April. Members will be advised of the date and location once we get confirmation of the plants' arrival date.

Orders that are not picked up in Halifax on the sale date will be shipped collect by whatever method you have indicated on you order. Where shipping options are limited, we will ship by Canada Post.

Thank you to members who suggested plants they would like us to consider.
