

# ARHS 2024 SEED EXCHANGE

## INSTRUCTIONS

Seed packets are \$3.00 CDN each for collected wild, \$2.50 CDN each for hand-pollinated and \$2.00 CDN each for open-pollinated seed. One packet per lot per person. More may be ordered but are subject to availability. Please enter **alternate choices** on the order form. Some seed lots have very small quantities. Several seed lots from **2023** with sufficient seed were added to round out the Exchange.

**Seed Lots that become unavailable will have a strikethrough 000\_NLA**

All orders must be on [the form provided](#) and should be received by **February 15, 2024** for members-only. The Exchange will be open to the public after Feb. 15, 2024 until April 30, 2024

**Send mail in orders to:** Sharon Bryson, #407 Old Maryvale Rd., Maryvale, Nova Scotia B2G 2L1 CANADA  
Please make your cheque or money order payable to 'Atlantic Rhododendron & Horticultural Society'. Add \$4.00 CDN for postage & padded envelope.

Payments may also be made via **e-transfer or PayPal**. Use the address [sbryson@ns.sympatico.ca](mailto:sbryson@ns.sympatico.ca)

**E-mail orders will be accepted for this years' Exchange** with an electronic payment. Please email the completed [Order Form](#) as an attachment to the above address.

US regulations now require an import permit and a phytosanitary certificate. Seeds sent to the US will be shipped without a phytosanitary certificate and at the orderer's risk.

## NOTES

1. Open-pollinated species, with some exceptions, may not come true from seed. Cultivars, with the exception of a few perennials do not come true. Plants from these seeds should be labelled as being “ex” that species or cultivar.
2. The 2024 Seed List will be posted on the Internet with insertion of images and links to help in your decision-making. Updates re availability will be posted there.

3. See the ARHS website for an article on growing rhododendrons from seed.
4. When sowing rhododendrons on peat we recommend you sterilize it first. Microwave it for 15 minutes or pour boiling water through it several times. Allow to cool.
5. We would like to thank the seed donors for their time and effort making crosses, collecting and cleaning seeds.
